SUN BEAMS

By WALTER M. BARRETT

Whether you are for or against the proposed bond issue for the Truckee Public Utility District, or if you are indifferent, it will be to your interest and edification to attend the meeting Monday when both sides will be aired. We have grave doubts if there will be much voice from the opposition as we can not find anyone who has a bonafide, sound objection to the proposal. Nevertheless, if one exists, we hope it will be expounded at Monday evening's meeting. The chamber of commerce in calling for such a meeting used rare judgment, for if there are objections they ought to be voiced so that all may know. On the other hand if the objections are of a mythical nature it should be so noted at the meeting. By all means, attend the meeting, state your objections, if, any and above all form your opinions on facts, figures and sound reasoning, not just because you are in opposition for some personal or fancied reason. If the objections are sound, logical and reasonable, the issue should be defeated, by all means.

The Los Angeles press carries a story to the effect that a motion picture company has selected the Truckee locale for an ice skating picture. And right when this announcement was being made, members of the chamber of commerce were worrying their heads as to whether or not sufficient funds could be raised to keep the rink open this fall and winter. We hate to see snow sports abandoned as proposed. We believe they are a rea l asset to the community, but when even southern directors see in Truckee's ice rink, the most suitable location for picture filming, we can see no reason for hesitation in raising a small sum to keep the pond open. However, if we don't want the pond, let's let it go with other winter sports and satisfy ourselves with "leavin's" this winter.

Have you bought your ticket to the Firemen's dance on October 29? The firemen are making every effort to make this annual affair more outstanding and enjoyable than last year, so if you haven't yet purchased that ticket by all means do so. If you can't attend, you will still be ahead of the game as your money will go to a worthy cause, one from which you will benefit.

Miss Sharon Rusk Is Hostess On Anniversary

Sharon Rusk, daughter of Mr. and Mrs. Ray Rusk, entertained a group of her friends on last Thursday in honor of her seventh birthday.

A very enjoyable afternoon was observed in the Hallowe'en motif in games, decorations and refreshments.

Berkeley Man Awarded Construction Contract

Lee J. Immel of Berkeley was given the contract to do the constrution work on a strip of road between Indian Springs and Rainbow Tavern. The construction wil be in 7 different portions totaling 0.9 of a mile, with 0.3 of a mile to be graded and have a road mix surface treatment applied.

According to the California Highway and Public Works magazine, Immel's bid of $47,291 was the low bid of four submitted.

County Receives $17,000 From Gas Tax Refund

SACRAMENTO, Oct. 27 —(UP)— The state controller's office has distributed funds totaling more than $12,000,000 as the regular quarterly allocation of gasoline tax funds. The sum covered collections for the quarter ending September 30.

One third of the allocation, $4,068,843, was apportioned to counties, minus deductions for unemployment relief loans made under a legislative enactment of 1933.

Nevada County received $17,312.10 from this source.

Deductions out of the counties' share totaled $458,169. Balance of the allocation, $8,137,697, went into the state highway fund.

Revenue for the same period from the tax on diesel fuels, $107,001, was transferred to the highway fund for repair and reconstruction of bridges on state highways which have been posted for less than legal speeds or weights.

Here For Installation—

Mrs. H. G. Seibold came here from Sparks Friday to attend the installation of the new Pythian Temple and become a charter member.

QUIT SNOW SPORTS

Exclusive Feature of Truckee Winter Sports To Be Boosted Here

Efforts to retain at least the ice skating as an exclusive Truckee Winter Sports activity are being made this week by a committe from the Truckee Chamber of Commerce.

It was clearly indicated at a recent meeting of the civic organization that popular opinion was against the continuation of snow sports. This indication was evidenced in the apathy shown when the need for financial assistance was reported.

However, at the last meeting on Monday, it was decided to attempt at least to maintain the skating, a feature unattainable in most of the other resort centers. Officials of the Southern Pacific Company have voiced approval and hearty support for this feature.

The committee, comprising Frank S. Powell, chairman, Mrs. Lotta Bryant tnd C. E. Smith will interview residents and other business men this week to determine if funds may be raised sufficient to carry on skating.

MRS. NETTELL DIES AFTER LONG ILLNESS

Funeral services were held on Wednesday afternoon in Grass Valley for Mrs. Mable Sandow Nettell, wife of John Nettell, Nevada County recorder-elect.

Mrs. Nettell, 47 years of age, died on Sunday at her home following a lengthy illness. A native of Nevada City, she had endeared herself to her many friends and was affiliated with church and lodge work there.

A son and several brothers and sisters survive beside her husband.

Browns Move to Idaho In Standard Oil Change

Mr. and Mrs. Fred Brown left the latter part of the week for Idaho Falls, Idaho, where Brown will have a similar position to the one he held with the Standard Oil Company here. The Browns made many friends in their years of residence in Truckee who regret their departure.

B. V. Fisher and R. C. Gifford are to be in charge of sales and deliveries in this district.

Ukiah Cleans, Dresses Up For '39 Expositon Crowd

UKIAH, Cal., Oct. 27— The city of Ukiah today is being measured for its 1939 party dress.

Realizing the Golden Gate International Exposition will cause travel on an unprecidented scale next year, the Ukiah Merchants' Association has formulated plans to welcome every visitor to Ukiah the year of California's World Fair.

Attractive girls, appropiately costumed, will greet visitors at Ukiah's Redwood Gates, according to Ralph Hogan, president of the UMA.

Each visitor will be given a copy the Ukiah newspaper with a booklet telling the points of interest in the vicinity. The main street will be converted into a "path of Redwood", special decorative lights will be installed and store fronts will tke on a gala appearance.

"..It would be a fine thing if other communities along the various trails to Treasure Island would give visitors a real Western welcome," said Leland W. Cutler, president of the Exposition. "Ukiah is to be congratulated for the steps it has taken to this end."

Grass Valleyites Here—

Mr. and Mrs. Thomas E. Merritt had as their guests over the week end, Mr. and Mrs. Lee Chenoworth of Grass Valley.

New Lodge Instituted Here With Nearly 69 Members On Charter

FIRE SWEEPS OVER EMIGRANT GAP YARD

Word was received here this morning of a fire which swept the Tahoe Sugar Pine Company's lumber yard at Emigrant Gap during the night, causing an undetermined amount of damage. The cause was not immediately known. The Southern Pacific fire train was called to aid in keeping the flames confined to a portion of the yard.

Parker Guests—

Mr. and Mrs. R. J. Nesbitt of Roseville were week end guests at the home of Mr. and Mrs. E. A. Parker.

Mrs. Clara Ocker of San Francisco was in town to attend the installation and to visit old friends. She is a member of the Sacramento chapter of the Pythian Sisters.

With Relatives—

Mrs. M. Bielich returned from Reno this week where she has visited with relatives.

Truckee's Rink Slated For Film Setting By Co.

No Date for Group's Arrival Announced By Company In South

STARS YOUNG GIRL

Tour Slated Before Filming Of Picture Here To Be Started

Sol Lesser, president of Principal Productions, announced production of the first skating film ever made out of doors, according to the Los Angeles Daily News.

Titled "Queen of the Ice," the picture will star 6-year-old Irene Dare, world's youngest figure skater, who scored success in Bobby Breen's "Breaking the Ice." The story is based upon "Snow Maiden" by Barton Brown. It will be made on location near Truckee utilizing an entirely natural winter background rather than ice rinks or imitation snow settings, as have previously been depicted on the screen.

Before beginning work on the picture, however, Irene Dare will be sent on a nationwide tour with an ice ballet of 66 persons, appearing in ice rinks in the prominent cities of the country.

Immedately following "Queen of the Ice," she is scheduled to be starred in another ice production, "The Silver Skates" based upon Mary M. Dodge's novel, "Hans Brinker or the Silver Skates."

Colin Campbell Is Wed In East Bay Ceremony

Mrs. Carol Ried Johnson of Reno and Colin C. Campbell of Truckee were married at the First Congregational Church in Berkeley on October 21st, by Rev. O. S. McCall. The reception was held in San Francisco at the home of the bride's cousin, Mrs. Sullivan.

Mrs. Nina Rogers of San Francisco was Matron of Honor and the groom was attended by Earl Armstrong of San Francisco.

After a week's honeymoon in Monterey and Del Norte, Mr. and Mrs. Campbell will return to Reno to make their home.

Local Officers Seek Murderer Escaping In This Direction

Killer of Butte Salesman Is Believed Headed To California

POCATELLO, Ida., Oct 25 —(UP)— Police in Salt Lake City and California highway patrol stations at Yermo and Truckee Tuesday were asked to watch for a man answering the description of one wanted for questioning in the murder of K. C. Kickizer, salesman found dead in his Butte, Mont., hotel room.

Pocatello police said they had been informed that such a man had caught a ride on a truck soon after Wickizer's car was found abandoned near here.

A woman who witnessed desertion of the car said that four men got out of it, two going east and two west along the highway.

Tax Collector Issues 5,498 Statements To Taxpayers

Tax Collector Frank Steel of Nevada County has sent out statements, in duplicate of the taxes for the fiscal year, 1938-39.

Of the 5,496 statements sent out, 5,376 are for county assessments, made by Assessor J. M. Hammill, and 120 are for assessments levied by the State Board of Equalization.

The taxpayers are sent a duplicate copy of the original tax statement, enabling him to detect any possible error in the assessments. Nevada County is one of the few counties giving this service.

The dates for the payment of the county taxes are: first installment, due November 1, 1938 and delinquent on December 5, 1938. Second installment, due January 20, 1939 and delinquent on April 20, 1939. Both installments can be paid at the time the first installment is due and payable.

Judge Tuttle Seeks Higher Court Position Due to The Death of Justice Plummer

Judge Raglan Tuttle of the Nevada County Superior Court has filed his application with Gov. Frank F. Merriam for the position on the 3rd Appellate court bench vacated by the death of Justice John A. Plummer. Judge Tuttle was recently re-elected in the primaries to the post he now holds.

Tuttle has written 150 appellate court decisions while serving in a relief capacity in Sacramento and San Francisco.

Few jurists command the statewide respect and admiration that has marked Tuttle as one of the leading men of the California bench.

He is a native of Placer County and practised law there for many years before coming over the line into Nevada County. He is a graduate of the Uuniversity of California at Berkeley and its affiliate, Hasting's Law School.

Public Meet To Be Held Monday On Bond Issue

Both Sides Invited To Air Opinions, Facts At Session

WILL EXPLAIN ISSUE

Everyone Urged to Attend To Hear Discussion on Proposal

Pro and con of the proposed bond issue for the purpose of raising $66,000 to aid in financing a power generating plant for the Truckee Public Utility District will be discussed at a meeting to be held at the local grammar school Monday evening at 7:30 o'clock.

The meeting was called at the suggestion of the chamber of commerce by the directors of the district.

It is the purpose of the meeting to acquaint all local voters with the issue to be decided at the special election November 4. It was the belief of the chamber members that many are unfamiliar with the various phases of the proposition and would welcome the opportunity to hear the matter discussed and ask questions concerning the issue.

Anyone wishing information is urged to attend the session. Those for and against the proposition will be welcome and are asked to present their side of the story.

As previously outlined, the election will determine whether or not the district shall be bonded for $66,000 to be put with a $54,000 gift from the Works Progress Administration to finance the building of a power plant to provide electric power for the district.

Proponents claim the erection of the plant at this time with the huge government grant will reduce the local power rates from 10 to 25 per cent and provide for the retirement of the bonds in 50 years with less cost than is now necessary for purchase of power from the Sierra Pacific Power Company.

The meeting Monday night will give both sides an opportunity to air the matter thoroughly and everyone, for and against the plan, is urged to attend.

In response to a request from the representatives of the local non-Partisan League for further information on the district's proposed bond issue, the directors of the Truckee Public Utility District have agreed to be present at an open meeting the league has called for

The meeting will be held at the CIO hall and a free and full discussion of the bond issue is promised and the public is invited.

C. Edmunds, manager of the district states he proposes to answer some of the whispered propoganda the opponents are spreading in an endeavor to cast a doubt on the minds of the public that the directors management and engineers do not know what they are doing.

"Can anyone with intelligence," Edmunds declared, "imagine that the government would give $54,000 to aproject unless, after a thorough investigation by their own engineers, they were satisfied that the project was feasble and economically sound.

"Among the whispers being spread from sources not hard to imagine," declared Edmunds, "is the statement that the district will be compelled to pay a heavy standby charge for emergency service from the private company. A figure of $2400 a year has been mentioned. Upon just what this figure is based nobody seems to know but the district feels no cause to worry if and when the time comes to settle this question."

Will Hold Food Sale—

The Pre-School Group of the Truckee Union P.-T. A. are sponsoring a Hollowe'en food sale to be held at the Truckee Bakery on next Saturday afternoon. The proceeds will go to purchase vaccine and immunization serums for the benefit of the chidren of Truckee.

RETURN OF THE OUTCAST———

That sorry-eyed outcast, the single tax, with breeches repatched and new starch in its frayed collar, is again bumming Califrnia for a hand-out.

Despite the disguise, the going remains hard as ever. And to add insult to injury, Labor councils began administering the boot to him last week. They know, as most citizens do, on which side their bread is buttered.

It is obviously not buttered by a measure which would rifle the State's General Fund in the guise of sales tax repeal and bankrupt th finances which maintain unemployment relief, old age pensions, schools, hospitals and penal institutions. Nor would it be buttered by another joker in the battered knapsack of Old Single Tax which would exempt certain types of property from taxation only to slap another enormously increased tax on land.

In Australia, New Zealand, and Canada, Single Tax has had a hearing and a hand-out. In each case he has proved a dismal failure.

In view of that record, California has little reason for having open house for Single Tax whose identification tag bears the warning number, "Proposition Twenty!"

HUNTERS GET THEIR DEER———

It's better news when figures, tallied at hunting season's end, show that hunting is geteting better for the hunters and worse for the deer. California's scoresheet for the recently closed deer season showed 31,019 deer killed, and seven fatalities among nimrods—eight fewer deaths than last year but 2,155 more deer, which is where high scoring should be maintained.

California Leads Nation In Securing Funds For Fight Against Infantile Paralysis

According to a letter received by C. Edmunds, local chairman of the President's Birthday Ball Committee, the Infantile Paralysis Foundation revealed that they have received $1,010,000 from the President that had been raised through the medium of Pesident's Birthday Balls throughout the nation. California led all the other states in the drive for funds to combat the dreaded disease.

The Foundation has authorized grants totaling $23,000 to the University of California, Stanford University and the University of Southern California, to aid them in their research work against infantile paralysis. A survey of the state of California was also authorized and is now being made htrough the American Medical Association to determine what hospitalization facilities exist and what is needed and also what governmental agencies are available for the care of crippled children. The report wil enable the Foundation to proceed intelligently in the work it is endeavoring to do in this state.

A national epidemic fund has been created and set aside to assist all communities in the event of an epidemic. This will act in time of stress when extra care, doctors and nurses, together with medical supplies, are needed.

RELIEF 'CHISLER' CAUGHT

by UNITED PRESS

The state controller's office announced the arrest of Thomas Richard Carley at Los Angeles on the charge of forging state relief warrants. Deputy Clarence Smith said the case was the first instance of state warrant forging in more than 30 years. Carley admitted altering one warrant from $8.08 to $38.08 and another from $7 to $35.

Bronco-Detroit Grid Fight Will Eliminate Conversion

SACRAMENTO, Oct. 27 —(UP)— Santa Clara and University of Detroit football teams will eliminate the point after touchdown from their game here on November 27.

Coach Gus Dorias of Detroit, long a n advocate of eliminating the extra point which often costs a superior team a victory against a weak one, said Coach Buck Shaw, Santa Clara mentor, has advised him of his willingness to try the stunt in next month's game.

Dorias beelieves the rule should be changed to provide that in cases of tie games, the team gaining the most ground would be credited with victory.

Tahoe . . . . Ramblings . .

(By SWANEE)

Tahie's lake level on Tuesday was 6227.52 with 303 CSF of water leaving the Tahoe City gates.

The weather continues bright and sunny, but much of the Autmn's usual glory has been destroyed this year by the early rains and snow and the heavy frosts which withered the foliage instead of painting it in hues of flame and orange. A long, hard winter has been predicted——which r emains to be seen!

Mr.and Mrs. C. O. Valentine have returned from a trip to Oregon and Washington and points north.

Mrs. George Walker of the Truckee River is purchasing two Venetian blinds for the south windows of the local library. Mrs. Noah Adams is the latest doner of books to the shelves.

Local ski experts among the Tahoe youngsters received an honor last week when they were instructed to bring over all their medals, plaques and cups to be placed on exhibition in the windows of Carlisle's in Reno for a week's period. The Nevada team sponsored the move. Honors won as individuals and as a team will share equal prominence in the display.

Dr. and Mrs. George Hensel enjoyed the week end at their Carnelian Bay home.

Mr. and Mrs. Charles Lumbard of Sacramento were visitors last week at the Matthews' Rustic Cottage Court at Tahoe Vista last week.

E. J. Sweetland and family from Piedmont are enjoying a vacation at the Sweetland home near Flieshaker's.

Visiting friends for several days in Fallon last week were Mr. and Mrs. Willis Hevel and Mrs. W. A. Simmonds.

A letter from Mrs. Everett Prusso from Kentucky tells of the beauties of the autumn season and of motor trips to famous spots in the section, such as Lincoln's birthplace and Ft. Knox and the beautiful drives along the Ohio River just at sunset and later in the light of the big yellow southern moon, nearly as beautiful as Tahoe. The Prusso boys are eablished in school back there and enjoy it as well as can be expected. Despite their new interests the Everett Prussos look forward to the weekly visit of their oll friend, the Sierra Sun!

Mrs. Sybl Yeakel of Lake Forest enjoyed a week's visit with her son Richard Yeakel and family of Oakland recently. The latter left with his wife and son last week for Ohio where he will be employed.

Wagner's Auto Camp at Lake Forest will remain open until the end of February.

Fred Hosford, a former resident of Tahoe and Truckee where he had many friends, was buried in San Francisco last Thursday. Funeral services were conducted from the Halstead fueral Parlors. He dropped dead on the previous Tuesday at the Veterans' home where he was confined with ill health.

Elementary grades of the Tahoe Lake School were entertained last Friday by "Barney" a pet bull of the C. O. Valentines. The pupils were out on their regular nature study walk and dropped in to visit the bull.

Miss Lou Crandall, public health nurse of Placer county, visited in town on Tuesday where she examined the health of local school children

A meeting of Tahoe's book revue club was held in the local library room on Monday evening with Mrs. Bliss Hinkle presiding. The meeting date was again changed because it conflicts with the meetings of the H and W Meek's Bay meeting. Tuesday at 715 p.m. is the new date. Miss Mary Pronzato reviewed Roger Vercil's "Rides of Mont St. Michel" and Margaret Halsey's "With Malice Toward Some", both were entertaining. Mrs. Hinkle read selections from Louis Adamic's "The Native's Return" a travel book distinctly different. Mrs. Ann Anderson sketched an account of "Fighting Angel" by Mrs. Pearl S. Buck. Next Tuesday's meeting wil be occupied with discussions of men and issues of the election of November 8th. All are welcome.

Hallowe'en Party Planned For Community Hall Sat.

TAHOE CITY, Oct. 27— A Hallowe'en party and dance will be held in the Tahoe Community Center hall next Saturday at 8:30 p.m. All must be masked and costumed, with prizes for the cleverest costumes. Among the features of the evening will be a grand march, grab bag, fortune telling, dancing, refreshments and games. A small admission fee will be charged, the proceeds going to the improvement fund of the buiding.

S. E. A. SPEAKER ASKS FOR 'NO' VOTE ON NO. 20 AND 25 ON BALLOT

TAHOE CITY, Oct. 27— A large crowd attended the combined business and social meeting of the California State Employes Association, Donner Chapter 56, held on last Friday night at the local Community Center hall. President Ray Rusk was the presiding officer. Nomination of officers for the ensuing year and an effort to secure regular designated pay-days occupied the business part of the session. L. V. Hickox, Marysvflle, regional director of the S.E.A., presented to the year old chapter.

Hickox introduced I. V. Rivett of Sacramento, vice president of the S.E.A. The speaker discussed the socalle d"Ham and Eggs" pension plan and showed himself to be violently opposed to it. He read an article that appeared in Collier's entitled "America's Script Tease", which clearly illustrated his points. Thee necessity of defeating the "Single Tax" was given unfavorable comment, too.

Rivett then entertained the group by showing nearly 500 feet of colored film depicting beautiful spots along the California highways. One real was devoted to snowplows at work in a blizzard.

Ray Mattice of Los Angeles, the Field insurance representative, enumerated the benefits to be derived from the new insurance policy being offered to highway employes.

A door prize was won by Fred Frates of May's Station, Lake Tahoe. Other prize winners were Mrs. Glenn Sweeney, Harvey Oates, of Truckee; Herb Flowers of the Nevada State Line Quarantine Station and Mrs. Emma Wallace, Tahoe City.

After the meeting dancing and refreshments were enpoyed by those present. Those attending included Rivett and his son Donald; Mattice; Mr. and Mrs. Oscar Sweeney; Mr. and Mrs. Glenn Sweeney, Mr. and Mrs. Gaston Hawker; Mr. nad Mrs. Carl Keck; Bob Moore and sister, Ruth; Miss Charlotte Carrau and Miss Pat Carson; Fred Morey and Frank Holt, all of Truckee; Mr. and Mrs. Charles Steffens ; Mr. and Mrs. Bob Wallace of Tahoe; Al White, Homer Hixon and Ed Gobert, Yuba Pass; and Abe Bertolozzi of May's Station.

F. B. I. MAN BLAMES EARLY LIFE FOR CRIME

TAHOE CITY, Oct. 27— "Character training should star in he high 0chair, not the electric chair," was the statement of Nat Pieper, special agent in charge of San Francisco's Federal Bureau of Investigation office and guest speaker at the Placer county Peace Officers Association Ladies' Night banquet held at the Tahoe Inn last Saturday night. Entertaining and enlighting was the discourse that disclosed the working and scientific advancements being made daily in the FBI laboratories. Among other facts he revealed were that the 80,000 finger prints in the government's possession in 1924 have been increased to 10 million this particular branch of the service proves the most important of all, especially to small town peace officers whose finances and equipment are limited. Approximately five hundred fugitives are apprehended monthly through this medium.

He expalined the rigid tests and requirements that a would be "G-Man" must fill to become one of the 674 "federals." Only one in a thousand applicants are accepted for the training. Out of 20,000 different cases handled annually by the FBI, convictions average 95% . Despite the notable advancement made by science, he said that the surface of crime detection has only been scratched. He stressed the need of crime prevention and the importance of keeping the small town officer abreast of the new methods of fighting crime, with an opprotunity to practise his trade constantly, keeping in good form for emergencies. He deplored the practise of "fixing" tickets and the pressure of political influence, as well as the evasion of jyru duty by the average citizen. A strong proponent of early childhood training, with a bit of religion injected at regular intervals, he deplored the figures which classify 700,000 juveniles as major criminals today, with the age of 21 outstanding among the 5,000 persons arrested daily in the United States. Only when real American character is developed in our children will the majesty of the aw be reestablished in the nation, Pieper believes.

Senator Jerrold Seawell, chairman of the evening, who followed the brilliant, 30 year old G Man, lauded the guest speaker's discourse and declared that small town peace officers are underpaid, undermanned, and underequipped. He declared that when the people arise in numbers and demand more money and protection, then, and only then, will it be granted. While billions are being expended for invasion from without, not enough is being done to ocmbat the terrible invasion within, the senator said.

Wedding Of Couple Is Surprise To Tahoe Friends

TAHOE CITY, Oct. 27- A surprise wedding of local interest was that of Jack D. O'Harron of Iowa, who has summered at Tahoe, and Miss Reva Brown who was employed at Tahoe this eason. The young couplee motored to Reno on October 12 and there, in the presence of Miss Sara Bacchi and Ralph Bly and the bride's mother, Frank Bacchi, Jerry Lewis and Margaet Hoofer, were married. A wedding dinner was enjoyed in Reno after the ceremony.

Dick Hinkle's 11th Birth Date Celebrated at Party

TAHOE CITY, Oct. 27—Little Dick Hinkle was host on last Friday at his parents' home in Bettencourt Tract, on the occasion of his 11th birthday, to a group of his friends. The guests included Robert and Don Edwards, Donald Brodehl, Lois Reeves, Jimmie Swanson, Faith, Rae and Howard Pyle, Pete Vanni and Betty Renner. Games, ice cream and a birthday cake were enjoyed by the young celebrants.

Woman Injured When Companion Falls Asleep

TAHOE CITY, Oct 27— Mrs Celeste Hicks is recovering from injuries sustained last Tuesday night as her car careened from the highway and went down a bank on the highway not far from Truckee. Mrs. Hicks, driving the car, was returning from Reno with a companion, Mrs. Kay of Emerald Bay. Mrs. Kay, it is believed, fell asleep on Mrs. Hicks' shoulder, interfering with her driving. As she was pushed into the other corner of the seat, the car got out of control and left the road and down an embankment. Mrs. Hicks was thrown through the windshield and had two arteries severed by the broken glass. Despite her injuries and loss of blood she managed to go to the road where Douglas Smith of Tahoe City found her some time later. He rescued the young woman in

'SINGLE TAX'

If a man steals your purse at the point of a gun,

IT'S ROBBERY

But if tax cranks and social revolutionists rob you of your home, your farm, your job and your savings,

IT'S YOUR OWN RESPONSIBILITY

Your DEFENSE is in your own hands—in your intelligent use of the ballot.

The discredited, six-times-defeated "Single Tax" will appear as Proposition No. 20 on your November ballot.....

This ruinous proposal would. . .

Confiscate Homes and Farms by piling Extortionist Taxes on Land ~ Higher than Taxpayers could pay.

It would wreck trades and industries, sky rocket rents, drain the State Treasury of the funds necssary to pay old age pensions, to maintain the public schools and other essential functions of government.

It would bring chaos, distress and disaster to California.

And Remember: You Can't Vote Sales Tax Out Without Voting "Single Tax" in. The bait of "sales tax repeal" is a deliberate attempt to snare the unwary voter.

(STATEWIDE ELECTION—NOV. 8)

Note the Fairness and Justice of this Act:

WORKERS CAN ORGANIZE—
(and bargain collectively without interference).
WORKERS CAN STRIKE—
(but no sit-downs, nor seizures of property).
WORKERS ON STRIKE CAN PICKET—
(but with reasonable regulations and only peaceful methods).
WORKERS ON STRIKE CAN BOYCOTT—
(but only their own employer).
BUT NOBODY CAN—
interfere with free use of the highways and wharves by farmers or anyone else.
NOBODY CAN carry on MASS picketing.
NOBODY CAN use coercion or intimidation to force free citizens to join unions, or not join them, or other un-American practices.
NOBODY CAN use the excuse of "hot cargo" for boycotting or picketing because a union official declares a commodity "unfair."
NOBODY CAN boycott those with whom they have no quarrel. In brief — no secondary boycotts.

Tahoe Jungles Cleaned Out By Johanson Monday

TAHOE CITY, Oct. 27— On Monday Constable Harry Johanson, aided deputies, Charles Swanson, Fred Koh ler, James Ferguson and Albert Henry, Jr., took definite steps to wipe out Tahoe's hobo "jungles" which located on the path that leads to the ski hill. Three of the hobees were charged with trespassing, being intoxicated on a public road, and vagrancy and sentenced by Judge Georeg Bliss to six months in the county jail or a "floater" from the lake area All three chose the latter and left. They were given a few hours to get out and then their shanties were razed and, with the permission of Fire Warden H. I. Snider, were burned.

Three other occupants of the area face eviction at the expiration of employment and, for sanitary reasons their houses will be burned.

SACRAMENTO, Oct. 27 —(UP)— From the amount of ballyhoo being heard on who should be elected the next United States Senator from California, Republican Philip Bancroft and Democrat Sheridan Downey seem to be the only candidates in the running. It took a woman to let voters know differently.

John W. Dunlap.

Lillian Symes Clements, Socialist nominee, had some uncomplimentary remarks to make about her two better known opponents Here are her quotes:

"The Republican nominee, Philip Bancroft, represents the reactionary wing of the Republican party. An officer of the notorious Associated Farmers, an agricultural front for the big financial interests, he is avowedly anti-labor. Labor and its friends cannot possibly support him.

"The Democratic nominee, Sheridan Downey, has shown himself to be one of the most opprotunistic politicans in contemporary politics. Mr. Downey began his career as a Hoover Republican; switched to Roosevelt in the Democratic landslide of 1932, jumped on the EPIC band wagon in 1934; then switched to the Townsend plan when that movement became a greater political asset. If any body started a $40 every Friday plan, Mr. Downey undoubtedly would give it his blessing."

Merriam Attacked By Reds

"DEFEAT MERRIAM" *shouted a sign Communists placed against their headquarters, 121 Haight Street, San Francisco. Discovering the appeal was making votes for Governor Merriam they took the sign down substituting one urging election of Anita Whitney and Leo Gallagher, Communist candidates for the offices of State Controller and Secretary of State.*

But a more important reason for a rapidly mounting interest in the candidates is that carefully conducted polls are starting to indicate the "worst is over" so far as some of the more controversial issues are concerned.

For example: Proposition No. 20, the "Single Tax", is headed for smashing defeat unless all signs and portents are cockeyed.

The famous "Thirty every Thursday" initiative is far from decided at this writing, but the movement has lost ground steadily for two weeks and will take a terrific pounding from now until election day. Our prophecy: Ham and eggs will still cost real coin of the realm after November 8, but the vote will be close.

The various groups—pro and con—which have spent much time and more money in the hectic battling over No. 20 and No. 25 are now suddenly faced with the realization that Governors and Lieutenant Governors and whatnot are important, too And from now on the Main Event attractions will feature Merriam vs. Olson, Franklin vs. Patterson and Bancroft vs. Downey.

Franklin and Bancroft, both newcomers to politics, but both gentlemen with something to say and an effective way of saying it, are even money bets with Patterson and Downey, their respective opponents —having come from behind with a burst of speed that has old-time poli ticians a little dizzy. Governor Merriam is a short ender, at the moment, in his race with Culbert Olson, but recent developments have boomed his stock considerably. If the AF of L actually goes down the line, with Bill Green, for Mr. Merriam, the Governor may yet lick the registration figures and edge out Mr. Olson, who shows signs of over confidence.

Voters Urged To Obtain Absentee Ballots by Nov. 3

The State Chamber of Commerce urged all eligible voters who plan on being outside their voting precincts on November 8 to get an absentee ballot from the county clerk and cast their vote.

N. H. Sloane, general manager of the chamber, urged at thes ame time that "the heaviest possible vote against the 'Thirty Thursday' (Proposition 25) and 'Single Tax' (Proposition 20) proposals" be cast.

Sloane explained: "Any registered voter who expects to be absent from his election precinct on election day, or who isunable for any good reason to go to the polls, is entitled to an absent voters ballot.

"Application for such a ballot may be made in writing to the county clerk, any time up to November 3."

"Any voter receiving such an absent voter's ballot, may mark the same and swear to the affidavit printed with the ballot, either at the office of the County Clerk at any time before election day, or before any notary public or other official authorized to take oaths. If outside the county, the voter may make the affidavit either on or before election day."

QUESTIONS and ANSWERS UTILITY DISTRICT BOND ELECTION FRIDAY, NOVEMBER 4, 1938

1. What is the total cost of the project?
Ans.: $120,000!
2. Does this include cost of necessary land, rights of way, legal and engineering costs and buildings?
Ans.: Yes— the $120,000 includes all such costs and allows for extras and incidentals.
3. What amount does the government give and does it have to be paid back?
Ans.: The government gives 45 per cent of the cost—in this case $54,000—and it is a gift and does not have to be paid back.
4. What is the amount the District will have to provide?
Ans.: The total cost to the District is $66,000 which it is proposed to raise by issuing bonds to be paid off over a period of 25 years at 5 per cent interest.
5. What effect will the bonds have on taxes?
Ans.: The District is a revenue producing agency and entirely self-supporting and these bonds WILL NOT cause one one penny of tax on the property in the District. In fact the lower rates will enable the tax-payers to pay a portion of their county taxes from the savings made in their light bills!
6. Does the government supervise the building of the project
Ans.: The government engineers and inspectors not only supervise the building in all its detail, but also all expenditures made on the project.
7. What kind of a power plant does the District propose to build?
Ans.: A water power dam on the Truckee River including a diversion dam, a flume, powerhouse and the necessary machinery. The plant would be of 500 KW capacity, which is over 100 per cent more power than the District now buys and would allow that much growth without any additional cost to the District.
8. Has the District any assurance that it will have sufficient water in the River to operate such a plant?
Ans.: The engineers have 40 years of government water records to back up their judgement that such a plant is economically feasible.
9. What does the District now pay for the power it purchases?
Ans.: The District is paying the amount of $13,000 per year, which makes each KW purchased approximate 1½ cents to the District.
10. What will it cost the District if it builds its own plant?
Ans.: It will cost the District $4500 to pay off the bonds and interest each year and $3000 to operate and maintain the plant or a total of $7500 a year which will make each KW generated cost the District less than 1 cent.
11. What will become of the savings made by the district if the bonds carry?
Ans.: The District will reduce the rates so that each of its customers will benefit by monthly savings in their bills.
12. Who can vote at the bond election?
Ans.: Any duly registered voter who resides within the boundaries of the District.
13. By what majority do the bonds have to carry?
Ans.: The bond election must carry by a two-thirds majority of the votes cast.

California's greatest registration has been compiled for the November 8 election—a legion of 3,611,416.

Secretary of State Frank Jordan revealed that the figure was 157,358 more than the previous high of 3,454,058 at the primaries.

Corresponding to thee registration, the number of stae precincts jumped 34 over the primary to a new high mark of 12,472.

Official returns at the primary showed that 2,069,025 persons voted, or 62 per cent of the registration. It is expected that this percentage will be boosted considerably at the general polls, because of the intense interest in several candidates and issues, notably the $30 Every Thursday pension plan.

The ratio between parties remains about the same, with the Democrats leading with 2,144,360 and the Republicans having 1,293,929. This represents a gain of 91,851 Democrats over the primaries and only 47,156 Republicans. Other party registrations on the new list were Townsend, 32,970; Progressive, 11,988; Prohibition, 6,359; Socialist, 4,206; Communist, 1,310; Commonwealth, 464; Scattering, 578 and declined to state ,114,252.

Two former governors came out of obscurity to plump for Bancroft, C. C. Young and George Pardee. Young sounded off by terming Downey a 'chaser of rainbows' and said he was for Bancroft "Because of the man himself—because he is exceptionally able, intelligent, honest, frank and courageous—and because of the danger to the country through a possible election of his opponent.".

Young, who preceded Gov. James Rolph, presented passages from a book, written by Downey in 1933 in which Young claimed Downey advocated revolution as a cure for the nation's ills.

Pardee said Bancroft should be elected to demonstrate that California can send solid, substantial men to that body, who will exercise free, independent julgment on all issues.

It remained for Ray Haight to cause the most speculation in political circles. The Progressive nominee, sadly lacking in campaign funds and self-termed victim of a "defeatist" complex on the part of his followers, took to the radio and said hee was no onger making an active bid for the gubernatorial election.

It is rumored that Haight may go over to Governor Merriam, despite the fact he criticised both Merriam and Culbert Olson, the Democratic nominee, in his speech. He is definitely opposed to Olson, believing his election "would be a death blow to liberalism because beneath it all the man's reactionary."

Haight already has come out for Dr. Walter Franklin, Republican candidate for lieutenant governor, in preference to Ellis Patterson. Democratic nominee who also secured the Progressive party nomination.

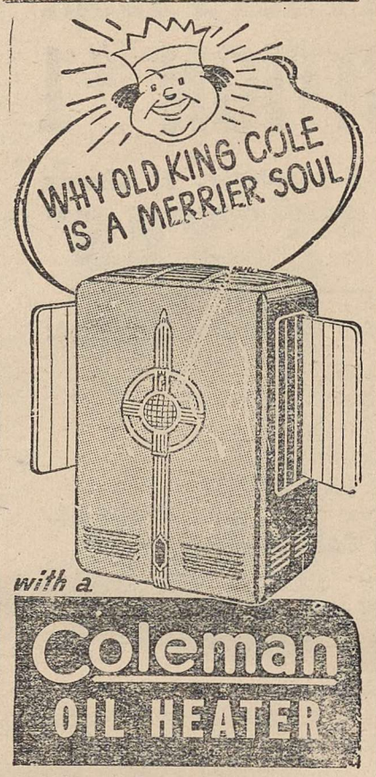
POLITICAL PARADE

by Clem Whitaker

You can expect a sharp shift in battlegrounds and battle tactics durin the closing days of the General Election campaign—with more emphasis on men and a little less on issues, if current rumblings afford an accurate criterion.

Candidates for major offices, who were overshadowed during the weeks immediately following the primary by the hurly burly over "ham and eggs" and the "Single Tax", are beginning to come out of eclipse and may be expected to steal the spotlight for the remainder of the campaign.

One reason for this transition, of course, is that fights for Governor, Lieutenant Governor and United States Senator—once they hit full stride—are more dramatic and more colorful than disputes over issues. The California voter, like the California football fan, loves to cheer for his favorite quarterback; he desires showmanship and the sound of trumpets.



Old King Cole--a chilly old soul---
Yelled to his firemen three:
"Bring me heat to warm my feet
And chase the chills from me!"
"This castle old is freezing cold!
The throne has an icy feeling!
I want it hot on that regal spot
And warm from floor to ceiling."
To meet demands of royal commands
They bought a Coleman Heater.
Now King Cole is a merrier soul
And his temper's grown much sweeter

You'll Be Merrier, too, with DOUBLE-COMFORT HEAT

For quick, penetrating warmth just open the Heat-Reflector Doors and radiant heat is directed into a focused comfort zone. For all-over heat, close the doors and heat circulates in tremendous volumes throughout the room. This warm air flow is 35% greater than formerly. Your home is more healthful, warmer with this clean, inexpensive heat. See a demonstration!

Merriam Invites — Olson Demands Haight Suport

SACRAMENTO, Oct. 27 —(UP)— Gov. Frank F. Merriam invited Raymond L. Haight and his followers to "join me in attempting t o accomplish a result in the November election that will assure to the people the benefits and the opprotunities which he in his broadcasts espoused."

Commenting on a radio address given by Haight in which he withdrew from the race for governor, the governor added:

"I feel there is no unusual difference at all between my conception of public service and the conception enumerated by Mr. Haight.."

FRESNO, Oct. 27 —(UP)— A demand that Raymond L. Haight, who withdrew as a candidate for Governor on the Progressive ticket, align himself definitely with either liberal or conservative forces was made this week by State Senator Culbert L. Olson, Democratic candiate for governor.

Penn Democrats Pay $100 Per Plate; Hear Farley

PHILADELPHIA, Oct. 27— James A. Farley, National Chairman of the Democratic Party, addressed 3,000 persons, who paid $100 a plate for a steak dinner on the topic of party loyalty. Farley said the Republicans had chosen Pennsylvania for a special battleground for the November elections.

The official count showed that 3,478 persons were in attendance. The monty, less expenses, will go to the state Democratic campaign fund.

Democratic Veterans In Placer Form Bancroft Club

Two of Placer county's leading Democrats have taken the lead in forming a Democratic Veterans' Bancroft for Senator Club in an effort to push the candidacy of Philip Bancroft, Walnut Creek farmer, who is opposing Sheridan Downey, and Lillian S. Clements for the U. S. Senate post to be vacated by William Gibbs McAdoo next January. The men are F. E. Kayo, Penryn, who headed the Roosevelt-for-President Club in his county two years ago; and Justice Frank D. Kuenzly, of the Colfax peacee court and a former member of the Democratic State Central Committee ad a life-long Democrat.

"Phil Bancroft says the Democrats are supporting him for one of two reasons—either they like him or they don't like the 'ham and eggs' philosophy of his opponent," said Judge Kuenzly. "I am supporting him for both those reasnos."

SOCIALIST

Downey Attacked By Socialist Opponent

Sheridan Downey, Democrat-Progressive-Townsend candidate for the U. S. Senate, was the subject of a scathing attack this week from an unexpected quarter. Lillian Symes Clement, Socialist candidate for the senate post sought by Downey and his Republican rival, Philip Bancroft, branded Downey as the worst political opprotunist of this generation.

She cited the fact that until 1930 he was a Hoover Republican, in 1932 a Roosevelt Democrat, in 1934 a follower of Upton Sinclair's Epic program as a lt. governor candidate, in 1936 a congresional candiate as a Townsendite and now a "ham and egger" for the U. S.Senate.

Mrs. Clements said Downey hoped eo be chosen as the lesser of two evils but that the working man was tired of lesser evils and would vote for her.

REPUBLICAN

Merriam Lauded By Demo

SAN FRANCISCO, Oct. 27— Miss Ruth Turner, an expert in the field of social welfare and the former president of the San Francisco Center of the League of Women Voters, expressed surprise over the attack of Culbert L. Olson on Gov. Frank F. Merriam's administration of social welfare and state relief.

A leading Democrat, and one of the five unsalaried members appointed by Mayor A. Rossi to the San Francisco Public Welfare Commission, Miss Turner said, in part that the governor never allowed political interference with the administration of relief funds.

She further commented on the fact that the governor had appointed Mr. Archibald Young of Pasadena as the chairman of the state board. Young is a Democrat whoc ommands the respect of all who konw of his work in social welfare fields.

"When Mr. Olson charges that Governor Merriam has used state relief as a political football, he loses the confidence of Democrats like myself who really know something about the work done for the orphans, the blind, the aged, and unemployed under the Merriam administration."

A Downey-for-Bancroft Club has been organized. The club originates in Downey, Los Angeles county.

Proposition No. 13 on your November ballot is a brazen attempt to let down the bars to wholesale public borrowings which would mean. . . .

Staggering Debt And New Tax Burdens

This dangerous proposal would abolish the basic safeguard requiring a two-thirds vote for bond issues!

It makes it easier to get into debt, but harder to get out!

It would permit the issuance of revenue bonds, IN ANY AMOUNT, by a bare majority of those actually going to the polls. In reality **it would mean that any district, city or county could be plunged into debt by A SMALL MINORITY, as only** a fraction of the registered vote usually turns out for a bond election.

You can't afford it. Your neighbors can't afford it. No city or district in California can afford it!

ORDINANCE No. 16

AN ORDINANCE SUBMITTING TO THE ELECTORS OF TRUCKEE PUBLIC UTILITY DISTRICT THE PROPOSITION WHETHER A BONDED INDEBTEDNESS SHALL BE INCURRED BY TRUCKEE PUBLIC UTILITY DISTRICT FOR THE PURPOSE AND OBJECT OF CONSTRUCTING A CERTAIN PUBLIC UTILITY, TO WIT, A HYDRO- ELECTRIC POWER PLANT, INCLDUING A DIVERSION DAM, FLUME, POWER HOUSE, AND SUCH OTHER EQUIPMENT AND PROPERTY LANDS AND BUILDINGS AS MAY BE NECESSARY AND PROPER FOR THE PURPOSE OF GENERATING ELECTRICAL ENERGY FOR DISTRIBING THE AMOUNT OF BONDS NECESSARY FOR SAID PURPOSE AND THE RATE OF INTEREST THEREON; CALLING A SPECIAL ELECTION TO BE HELD IN TRUCKEE PUBLIC UTILITY DISTRICT ON NOVEMBER 4, 1938, FOR THE PURPOSE OF VOTING ON SAID PROPOSITION AND SETTING FORTH: THE ESTIMATED COST OF SAID PUBLIC UTILITY, THE PROPOSED METHOD AND MANNER OF PAYMENT THEREOF, THE MANNER OF HOLDING SUCH ELECTION, THE MANNER OF VOTING FOR OR AGAINST SAID PROPOSITION THAT BONDS OF SAID DISTRICT SHALL ISSUE FOR THE PAYMENT OF THE COST OF SAID UTILITY AS IN THIS ORDINANCE SET FORTH, IF SAID PROPOSITION BE ACCEPTED BY THE ELECTORS OF TRUCKEE PUBLIC UTILITY DISTRICT.

BE IT ENACTED by the Board of Directors of Truckee Public Utility District:

Section 1. On the 3rd day of August, 1938, the Board of Directors of Truckee Public Utility Distirct determined that the public interest and necessity of Truckee Public Utility District demands and did then demand the construction of a public utility, to-wit, a hydro-electric power plant, including a diversion dam, flume, power house, power plant and such other equipment and property, lands and buildings as may be necessary and proper for the purpose of generating electrical energy for distribution by Truckee Public Utility District, and on said date said board of Directors specifically declared such determination by resolution.

Section 2. Said Board of Director thereafter procured plans and estimates of the cost of original construction and completion of said public utility, and said Board of Directors did procure an estimate of the revenues that can be expected to be derived from said public utility.

Section 3. Upon the filing of said plans and estimates said Board of Directors did determine that the cost of said public utility proposed to be constructed cannot be paid from the revenues of the District which said cost would far exceed the revenues of Truckee Public Utility District from the operation of its public utilities in addition to othe necessary expenses of Truckee Public Utility District, so as to render it necessary to incur a bonded indebtedness therefor.

Section 4. Said Board of Directors estimates the cost of said proposed public utility to be One Hundred Twenty Thousand ($120,000) Dollars

Section 5. The proposed method and manner of payment of said sum is as follows: Truckee Public Utility District shall obtain from Public Works Administration a grant of Fifty-four Thousand ($54,000) Dollars in lawful money of the United States, payable to Truckee Public Utility District, and the balance of said estimated cost of said proposed utility, namely, the sum of Sixt-six Thousand ($66,000) Dollars, shall be paid with money obtained from sale of bonds proposed to be issued by Truckee Public Utility District in the principal sum of Sixty-six Thousand ($66,000.00) Dollars, in bonds as proposed to be issued to be serial and to be issued as follows:

There shall be issued sixty-six (66) bonds of the par value of One Thousand ($1,000.00) Dollars each, numbered 1 to 25, inclusive, 2A to 25A, inculsive, 3B, 5B, 7B, 9B, 11B, 13B, 15B, 17B, 19B, 20B, 22B, 23B, 24B, and 25B, and 20C, 23C and 25C.

Said bonds shall be redeemable on the following dates:

On July 1, 1939, Bond No. 1.

On July 1, 1940, Bonds No. 2 and 2A.

On July 1, 1941, Bonsd No. 3, 3A and 3B.

On July 1, 1962, Bonds No. 24, 24A and 24B.

On July 1, 1963, Bonds No. 25, 25A, 25B and 25C.

Section 6. All the said bonds shall be dated December 31, 1938, and shall bear interest at the rate of five (5) per cent per annum, payable annually, principal and interest being payable in lawful money of the United States. Said bonds shall be negotitable in form, and shall bear coupons payable to bearer, each of which shall evidence interest for one year on the bond to which coupon shall be attached. Said coupons shall be numbered consecutively from 1 upward, commencing with the coupon that matures July 1, 1939.

Section 7. Said bonds shall be sold to the general public at not less than par, plus accrued interest.

Section 8. The bonded indebtedness as set forth in the proposition to be submitted to the electors of Truckee Public Utility District at the hereinafter named special election is proposed to be incurred for the object and purpose of obtaining money in order to enable Truckee Public Utility District to construct a public utility, to-wit, a hydro-electric power plant, including a diversion dam property, lands and bulidings as may be necessary and proper for the purpose of generating electrical energy for distribution by Truckee Public Utility District.

Section 9. The bonds of said District shall issue and shall be sold in order to acquire for Truckee Public Utility District a sum of money which, when added to a grant of Fifty-four Thousand ($54,000.00) Dollars by Public Works Administration shall be sufficient to pay the cost of said proposed utility if proposition therefor be accepted by the electors of Truckee Public Utility District, and said bonds shall not be sold at less than par and accrued interest and shall have the same force, value and use as bonds issued by a municipality of the State of California.

NOW THEREFORE:

Section 10. A special election is hereby called to be held in Truckee Public Utility District on Friday, the 4th day of November, 1938, for the purpose of submitting to the vote of the electors of Truckee Public Utility District this proposition: "Shall Truckee Public Utility District incur a bonded indebtedness in the amount of Sixty-six Thousand ($66,000.00) Dollars, which amount is necessary for the construction of a certain public utility, namely, a hydro-electric power plant, including a diversion dam, flume, power house, power plant and such other equipment and property, lands and buildings as may be necessary and proper for the purpose of generating electrical energy for distribution by Truckee Public Utility District, which said bonded indebtedness shall bear interest at the rate of five (5%) per cent per annum?"

Section 11. The special election hereby called shall be held in conformity with the provisions of an Act entitled "The Public Utility District Act," with amendments thereto.

Section 12. The manner of voting in favor of the proposition submitted at said eleciton, and thereby authorizing Truckee Public Utility District to incur a bonded inedbtedness in the amount and for the purpose therein set forth, shall be by stamping a cross (X) in the voting square after the word "yes." The manner of voting against the proposition submitted at said election, and thereby refusing to authorize Truckee Public District to incur a bonded indebtedness in the amount, and for the purposes therein set forth, shall be by stamping a cross in the voting square after the word "No."

The affirmative vote of at least two-thirds of the electors voting at said election shall be necessary to warrant the issuance of bonds of the District for the acquisation or construction of said public utility.

Section 13. At the election called hereby the polls shall be open from 6:00 o'clock a. m. until 7:00 o'clock p. m., and as provided by Section 1164 of the Political Code. There shall be one precinct consisting of the unincorporated territorial unit. NORDEN

Dear Readers:

After a very pleasant motor trip to their former home in New York City, Mr. and Mrs. Ernest Danzer returned to their Norden home last week end.

Frank L. Slater of Summit was placed aboard a Southern Pacific Co. train early this week for the Southern Pacific General Hospital in San Francisco for observation. He had been ill for more than a week.

As a barometer of increasing business, patronage at the Norden Grocery under the able mangement of Fredericks and Danzer, it has become necessary to increase the floor space and provide more spacious quarters in which to handle the business. The new managers are busy excavating the rear of their establishment to enlarge their building early in the Spring.

Many workmen have volunteered their services to aid Frank Slater in completing his new home by the earliest possible date. Slater has been confined to the hospital for the past week.

William Dymond and Miss Rains of Tunnel Six were recent week end visitors in San Francisco.

Mrs. Ernest Johnson of Summit recently was a visitor in Roseville to attend a shower given in honor of Miss Betty Olson.

After a two weeks' stay in Yuba City, William Schull has returned to his place of employment in Norden.

On the sick list is Walter Ferguson of Tunnel Six who is in Sacramento recuperating, according to latest reports.

Mrs. Frank Rector of Norden is now in Seattle, Washington, on business.

Mr. and Mrs. Dee W. Bowen have returned to their home in Norden after a very pleasant week in Oakland and Bay Cities.

Steve Roberts of Tunnel Six has found diversified entertainment around Florin recently.

The warm days and cold nights, typical of Indian Summer, are now with us.

Yours Truly,
C. W. Kramer
